

MHS New Student Orientation

For Incoming Freshmen and New Students

Morgantown High School would like to welcome our incoming freshmen and any new student to MHS's campus for a unique experience before the school year starts on August 24, 2021! We will be hosting students in alphabetical sections for approximately an hour and half during two sessions on Thursday, August 19th. Students will have the chance to meet and greet some faculty and staff, understand how the school day will work for the 21-22 school year, and take a building tour from our amazing student council members. This event is an optional event to help students transition to Morgantown High School.

Students:

We are asking that any students who attend this event to login to their Schoology accounts prior to coming to their scheduled orientation session. Students will need to have access to their schedules so that they will be able to locate their classes during the tour. Any student having trouble logging in to Schoology please contact our TIS, Holi Rucker at holiann.rucker@k12.wv.us If students cannot access Schoology, we will provide a paper copy of their schedule if needed.

Parents:

This event is for students only and no parent/guardians will be permitted to join their students in the building. Entrance to this event will be on the Edgewood Street side of our campus through the main gym. Please do not drop your student off early and do plan to adhere to the orientation time frame listed below. Parents who chose to wait for their student may do so by parking in the main parking lot on Prairie Avenue. Parents who choose to leave campus must be back to pick up their student and the end of the orientation session. All students will exit the orientation through our Main Entrance on Prairie Avenue. Thank you for adhering to this guidance for this event.
